EXPERIENCE

Software Engineer

MBTA App • main.d356nzc62zjtr.amplifyapp.com/home

- Developed a comprehensive MBTA application using MERN (MongoDB, Express, React, Node) stack, enabling users to sign up, access live tracking, and view station alerts.
- Implemented a review system, favorite feature, rating commends, and live tracking functionality.

Frontend Developer

Graphic Designer Portfolio • naashka.com • August 2023 - October 2024

- Designed and developed a visually engaging portfolio website that pays homage to the classic Windows 95 OS.
- Collaborated with the client to align the website's aesthetics with their personal brand and vision.

Software Engineer

FitXpress • fitxpress.app • September 2024 - August 2024

- Designed and implemented a cloud-native fitness application using AWS services, including Lambda, Cognito, DynamoDB, and Amplify.
- Developed user-friendly frontend with Next.js and React
- Created features for calculating body metrics and creating customized weekly exercise plans
- Data visualization for results
- Conducted testing and optimization to ensure high performance and scalability

EDUCATION

Bachelor of Science in Computer Science

Minor in Mathematics • Salem State University • Salem, MA • 2024

- Awarded Mathematics Achievement Award by NSCC Math Department

EMPLOYMENT

Sales & Digital Solutions Manager

Coffee Time Bake Shop

February 2018 - Present, Salem, MA

- Led and trained all sales personnel, optimized operations and improved efficiency
- Developed and proposed company website
- Spearheaded the integration of digital solutions, proposing online sales through company website

Technical Assistant

House of Nerds

May 2015 - January 2016

- Managed and maintained networks and PCs, Macs, and gaming console inventory
- Assisted with software imaging, builds, and repair

INVOLVEMENT

Volunteer

Oslo, Norway • PUTE.INFO • August 2023 - September 2023

- Coordinated logistics for loading and dispatching trucks filled with essential aid to support humanitarian efforts in Ukraine.
- Collaborated with embassy representatives to facilitate the transition and resettlement process for Ukrainian refugees.
- Assisted in organizing community outreach initiatives to raise awareness and gather resources for local refugees.
